

UKMT SKILL BUILDER USER GUIDE

Getting your students started with the UKMT Online Skill Builder question sets is easy and will only take a few minutes. Just follow the instructions below.

Go to <http://ukmt.edfinity.com>

You have 2 options to get your students started.

Option 1: You may specify the number of students in your class, obtain a link to the course, and then forward this link to your students with the Student Instructions below.

OR

Option 2: You may simply forward the website link to your students and instruct them to register on their own.

With Option 1, you will be able to monitor your students' progress through your dashboard. This will not be possible with Option 2.

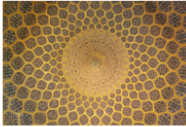

INSTRUCTIONS FOR OPTION 1

Click on the blue 'Teachers' button. You will see the following screen:

A screenshot of the UKMT Skill Builders course selection interface. At the top left, the word 'Courses' is displayed in blue. At the top right, the text 'License: Group Individual' is shown. Below this, there are two course cards. Each card features a square image of a honeycomb pattern with a central circular element. The first card is titled 'UKMT Skill Builders Intermediate 2016' and shows 'FREE' and a quantity of '1' next to a green 'Add to Cart' button. The second card is titled 'UKMT Skill Builders Junior 2016' and also shows 'FREE' and a quantity of '1' next to a green 'Add to Cart' button.

Click on the blue course title **UKMT Skill Builders Junior 2016**. You will see the following screen.

UKMT Skill Builders Junior 2016

group license

License: Group Individual

Group license for educators who wish to enrol their students in the UKMT Skill Builders Junior 2016 course.

Contents

- 6 skill-builder problem sets

You will see the following screen. Click '**Complete Order**'

Checkout			
Item	Price	Qty	Subtotal
UKMT Skill Builders Junior 2016 group license	\$0.00	15	\$0.00
			Subtotal: \$0.00
			Grand Total: \$0.00

[Complete Order](#)

You will see the following screen. Notice the enrolment link to be emailed to all your student – you don't have to save this. Click on '**View Online Courses**'

Thank you for your order.

You will receive an email with your receipt.

Order Number: 23377

Item	Qty	Access Code	Your students enrol at
UKMT Skill Builders Junior 2016	15	H7GGTJU	https://ukmt.edfinity.com/licenses/H7GGTJU

Next Steps

1. Give access codes to your students to enrol in your preparatory courses.
You can monitor their progress.

[View online courses](#)

You will see the following screen. Use your mouse to copy the web link with the access code, and email/distribute it to your students with a message, such as the one below. You may also enroll yourself in the course to review the question sets by clicking on the link above (thus becoming your own student)

Name	No. Students	Select a section to view its details.
UKMT Skill Builders Junior 2016	0 / 15	

MESSAGE TO STUDENTS:

Dear Students/Parents,

The UKMT has made a collection of online Junior Maths Challenge question sets available, which may help you prepare for future challenges. Register for this valuable and free resource by clicking on <insert link with access code here> and following the instructions.

Sincerely,
<Teacher name>

Now you may monitor your students' progress anytime by signing in at <http://ukmt.edfinity.com>. You will see the following screen. Click on **UKMT Skill Builders Junior 2016** to monitor your students' progress.

INSTRUCTIONS FOR OPTION 2

Send this email (with any modifications you deem appropriate) to your students:

Dear Students,

The UKMT has made a collection of online Junior Maths Challenge question sets available which may help you prepare for future challenges. Register for this valuable and free resource at <http://ukmt.edfinity.com>, by clicking on the blue 'Parents/Students' button and following instructions. Note that you may register by providing just a name instead of an email id. If you do not provide an email id, be sure to remember your password for future use.
